Flexible and durable polyurethane air hose for pneumatic tools

ToppPur™ reinforced air hose is made of premium quality polyurethane, and is therefore flexible and durable even in cold conditions. ToppPur™ is an excellent option for pneumatic tools that are used in cold outdoor operations.

We deliver ToppPur™ hoses in requested lengths and also with fittings.

ToppPur™ Good option for cold outdoor operations

Material: Polyurethane and polyester
Structure: 3-layer hose: inner hose PUR (ester), polyester reinforcement, coating PUR (ether)
Colour: Surface red, inner layer black
Standards: SFS 5408
